RE: Reconnaissance Study of the Wing Luke Museum in Seattle, Washington

Dear Director Jarvis:

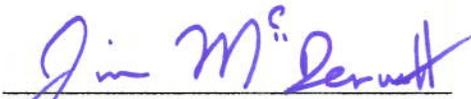

We respectfully write to request a reconnaissance survey of the Wing Luke Museum of the Asian Pacific American Experience located in Seattle, Washington. The Wing Luke Museum is the only pan-Asian Pacific American community-based museum in America, highlighting the issues and life-experiences of Asian Pacific Americans in the United States.

The Wing Luke Museum opened in 1967 and was named after Wing Luke, an enormously successful Seattleite and veteran who Americans throughout the country are rightly proud of.

We ask that the National Park Service conduct a reconnaissance survey to see if a designation of the Wing Luke Museum as an affiliate area of the National Park Service would be possible and appropriate.

If you or your staff needs any additional information regarding our support, please do not hesitate to call our offices. We look forward to hearing from you and we thank you in advance for your consideration.

Sincerely,

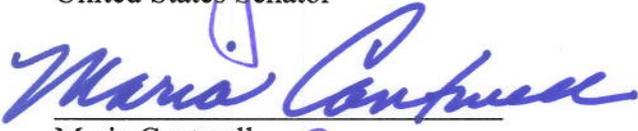

Jim McDermott
